## Sammendrag

Et episk eventyr inn i galskapen, denne serien av alternative historie noveller, utforsker kjedene som binder den menneskelige ånd til gjentakelsen av overlevelse.

~~~

Informasjon alene har ingen sannhet i seg selv, inntil en del av hele sin er oversett, ignorert eller fjernet, hvoretter selv åpenbare kan bli forstått, akseptert eller avvist.

USA og Sovjetunionen, dividert perspektiv, men forent i kampen, finne på slutten av en krig i begynnelsen av neste, det trykte ord marsj mot ultimate makt, forutsatt bare av distansen den kunne dekke.

## Forord – Norsk

**M**ed ingen slike absolutte som sannhet vandrer vi, i sinnet, i kroppen, i ånd, vi står fritt til å vakle mellom virkelighet og drømmer på jakt etter en overlevelse verdig verdighet vår. Inntil virkeligheten, eller hva løs konstruerer slike vi befinner oss omsluttet av, trekker oss tilbake til sterk-fantaserer her og nå, mot byrde og engasjement gjennom oppfyllelse og kamp det tester våre drømmer for sannhet.

Kanskje sannheten var ikke det vi hadde drømt det var; ord og sin obligatoriske følelser ofte sky våre definisjoner av de mer vanlige begreper. Hvem selv blant dere snakker ordet ironi uten å være ironisk? I en verden hvor våre mest vanlige bruken av slike viser seg å være den eneste definisjon, kamp vi gjør, i en spøk og dermed så tilfeldigvis humoristisk, for å overleve, blant det som ler med våre sannheter som ler av våre drømmer, mens

aldri heller ikke til enten med denne

## 002 – Kapittel 1

### Antennes

- Bohemske Tsjekkoslovakia, 4 mai 1945 -

“**N**ei, han er kortere, mørkt hår, American Hær uniform.”

“Å, velg dine ord klokere. På den måten” min frenetisk søk fulgte hans finger forslag til uhyggelig tent tunnelen.

“Den amerikanske?” svarte den neste Offiser, “Levende eller døde?”

“Levende!” Jeg insisterte.

“Opp trappen et dusin gulv, hvis du hastverk.”

“Alle viktige,” svarte siffer på toppen,  
“kommer fra rundt det hjørnet der,” som jeg  
viste det.

~~~

Know alone hold no truth with-in it-self, until part of it whole is over-look, ignore or remove, where-after even the clear can be under-stood, accept or deny.

The United States, and the Soviet Union, divide by view but united in battle, find at the end of one war the begin of the next; the print word march to ultimate power, provide only by the distant it could cover.

## Preface – Simple English

**W**ith no such absolute as truth we move; in mind, in body, in spirit, we are free to lost between real and dream in search of a survive worth of our worth. Until real, or what-ever loose idea of such we find our-self trap by, pull us back into the crazy here and now, to bad and commit through fulfill and struggle it test our dream for truth.

Maybe truth was not what we had dream it was; word and their need feel often cloud our make of the more common idea. Who even among you speak the word irony without be irony? In a world, where our most common use of such turn out to be it only make, do we struggle, in a joke there-by so same humor, to survive, among that which laugh with our truth as it laugh at our dream, while never not each one do to either with this Fragment Earth.

## Summary

An epic adventure into madness, this series of alternate history short stories, explores the chains that bind the human spirit to the repetition of survival.

~~~

Information alone holds no truth within itself, until part of its whole is overlooked, ignored or removed, whereafter even the obvious can be understood, accepted or denied.

The United States, and the Soviet Union, divided by perspective but united in battle, find at the end of one war the beginning of the next; the printed word's march toward ultimate power, provided only by the distance it could cover.

## Preface – English

**W**ith no such absolute as truth we wander; in mind, in body, in spirit, we are free to waver between consciousness and dreams in search of a survival worthy of our worthiness. Until reality, or whatever loose construct of such we find ourselves engulfed by, pulls us back into the stark-raving here and now, toward burden and commitment through fulfillment and struggle it tests our dreams for truth.

Perhaps truth was not what we had dreamt it was; words and their compulsory feelings often cloud our definitions of the more common concepts. Who even among you speak the word irony without being ironic? In a world, where our most common use of such turns out to be its only definition, do we struggle, in a joke thereby so coincidentally humorous, to survive, among that which laughs with our truths as it laughs

at our dreams, while never neither does to  
either with this Fragment Earth.
